- Consultant to over fifteen 5 star hotel group chains, 50 corporations, providing primary dental care to employees

Standards & philosophy :

- Compassion & Trust
- Calm & Assuring
- All rooms are near soundproof, and monitored by CCTV
- Inspect > Diagnose > Plan > *then* Treat
- In partnership with patients through decision process
- Dual access to clinic for privacy (Quarry Bay)

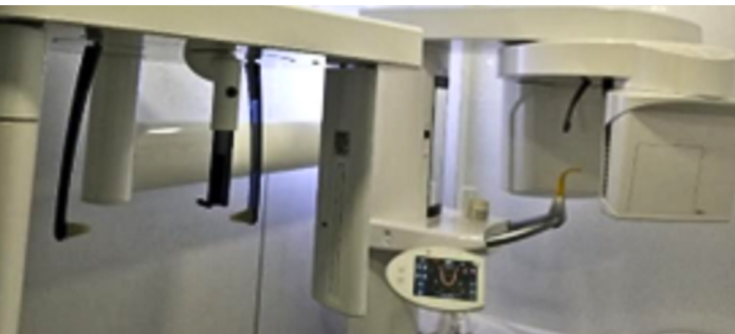

- Cross-over viral infections avoided - all dental chairs and attachments equipped with special sterilisation capability

- Advanced 3D camera scan enables physical crowns and bridges to be fabricated under 1 hour for attachment in same visit

- Microscope for root canal work (Central & Tsim Sha Tsui clinics) with “best in class” resolution and depth of field

- 3D digital cat scans (Central, Tsim Sha Tsui, Quarry Bay clinics) for advanced dental therapies. Scan data available in seconds, enhancing dentist - patient communication of treatment options.

- Radiation safety - sensors in all dental chairs reduce radiation exposure time for x-rays to under 0.1 sec. (= < 10% of normal x-ray)

4 locations:

- Queen's Road Central
- Peking Road
- Taikoo Place
- Telford Garden
